Dear Mr. Hill:

On October 13, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 28, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges that you have redesignated your \$2,000 contribution to the Maine Democratic Party dated July 29, 1999 to the recipient's non-federal account "as was the original intent." In addition, the Commission notes that the contribution is now itemized on Schedule B for Line 29 of your Amended August Monthly Report. Please provide the date on which this corrective action took place.

-The totals listed on Lines 23 and 29, Column B of the Detailed Summary Page are still incorrect. You should add the Column B totals from your July Monthly Report to the Column A totals from this report to determine the correct totals.

-Please amend Schedule A supporting Line 16 by providing the date for each refund received from a political committee. 11 CFR §104.3(a)(4)(ii) and (iii)(B)
